

**Dr. Sanuj Ravindran**  
**Managing Director,**  
**Asian Healthcare fund**

Dr. Sanuj Ravindran is the Managing Director of Asian Healthcare Fund, a New Delhi based PE fund that is exclusively focused on healthcare and life sciences in India. Previously, as a Principal of Radius Ventures, Dr. Ravindran invested in and assumed Board roles with Ambit Biosciences, Athersys Inc and Resolvix Pharmaceuticals, and worked closely with Biostorage Inc. Prior to Radius, Dr. Ravindran was a Director of Burrill & Company, a San Francisco-based healthcare and life science private equity firm, where he founded and led the Burrill India Group. While at Burrill from 2003-2007, Dr. Ravindran also assumed Board roles with diaDexus Inc and Proventys Inc, and played an active role in several other investments, including Endocyte Inc, Pharmasset Inc. and CardioKine Inc. Previously, Dr. Ravindran worked in the Healthcare Investment Banking Group at Merrill Lynch, where he advised on financings, partnering and M&A for a variety of healthcare and life science clients.

A U.S. licensed physician, Dr. Ravindran is trained in Internal Medicine and completed his residency training at Thomas Jefferson University Hospital in Philadelphia. Dr. Ravindran was also a National Cancer Institute Research Fellow at Memorial Sloan Kettering Cancer Centre in New York, and has published research in a variety of clinical disciplines. Currently, Dr. Ravindran is a member of the Society of Kauffman Fellows; serves on the Editorial Board of Biotechnology-Healthcare; is a Senior Scholar with the Jefferson School of Public Health; and is on the Advisory Board of RxMD, a clinical development services firm based in Chennai, India. Dr. Ravindran received a BA with Honours from Northwestern University, a MD from Jefferson Medical College and a MBA from the Kellogg School of Management, where he was a Rothschild Scholar. Dr. Ravindran is also an honorary alumnus of the Indian School of Business in Hyderabad, India.
